

Where Would We Be Without IJO?

We at Mar Bill Diamonds & Jewelry are a third generation store celebrating 55 years in business. We attended our first IJO show as guest members in July 2002, in Reno, Nevada, where we joined on the spot and never looked back! Without IJO and the many resources they offer, we would not be where we are today.

IJO has provided us with the best education and expert training skills that are needed to grow our business – and grow it has. We always look forward to networking with other retailers who share their ideas as well as the same experiences that we have, in a safe environment. We are able to stay current with the latest fashion trends and newest technology that it takes to run a successful business. Also, there are so many fun, family oriented attractions as we travel to IJO shows all over the country.

Over the past 17 years, we have built personal relationships with not only the retailers but the vendors and the IJO staff as well! IJO is truly a “family” that supports each other and provides expert help on a daily basis!

It is an honor to belong to such an elite group such as IJO!
