

We Are Thankful

IJO has been and continues to be such a blessing to us – we have grown so much both personally and professionally. IJO conferences are a highlight each year and we always return with a new energy, as well as new ideas. IJO has given us the opportunity to travel to Antwerp to buy diamonds, to Italy to buy gold and to Asia to buy fabulous gemstones, and we now do business almost exclusively with IJO vendors. So much of our success is a direct result of what we've learned from our IJO family. Thank you IJO for everything you have given us. We are truly grateful.

Thirteen years ago it was suggested I join IJO – I had no idea what IJO was nor what it would do for my business. But I took a chance, and this amazing organization has helped my business grow tremendously. Attending every conference (twice a year) has been a highlight, and the vast array of seminars has helped me be a better

business person as well as a better member of the community. My clients are impressed that the first day and a half are filled with education! The vendors are helpful and friendly as well as wanting to do business with me. I have found they go above and beyond in helping me be successful, which in turn helps them as well. Thank you to my IJO family!
